ENDOCRINOLOGY

Lexington Clinic is seeking a **full-time BC/BE Endocrinologist** to join a thriving practice with two Board Certified Endocrinologists and one physician assistant. This is a 100% Clinical Endocrinology opportunity. Some of the in-office capabilities and services include bone density studies, diabetic education program, iodine doses and on-site ultrasound equipment.

The Lexington Clinic Endocrinology Department has a large internal referral base and favorable payer mix. This is an outpatient only opportunity and will require limited office call. Call consists of phone calls only; no hospital call required. This position will offer a competitive salary guarantee with production-driven quarterly bonuses. Opportunity for partnership is available after one year, with no buy-in.

Lexington Clinic offers a very rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care insurance, vacation and CME time, CME stipend, and flexible spending account.
