General and Pediatric Ophthalmology

Lexington Clinic is seeking a **BC/BE General Ophthalmologist and Fellowship-Trained Pediatric Ophthalmologist** to join a very busy practice located in Lexington, Kentucky. The Lexington Clinic Ophthalmology Department currently consists of three Ophthalmologists and one Optometrist and offers a state-of-the-art clinic and surgery facility.

Practice call will be 1:5 with hospital service call only 4 weeks per year. Call consists primarily of phone call; the practice has virtually no trauma.

Among the many positive aspects of this position are:

- Large internal referral base
- Sophisticated electronic health record (EHR) system
- Numerous ancillary services
- Excellent business infrastructure
- Favorable payer mix

This position will offer a competitive salary guarantee with production-driven quarterly bonuses. Opportunity for partnership is available after one year with no buy-in! Lexington Clinic offers a very rich benefits package for physicians, which includes health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care insurance, vacation and CME time, CME stipend, and flexible spending account.
