NEUROSURGERY

Lexington Clinic is seeking a **full-time BC/BE Neurosurgeon** to join a very busy practice located in Lexington, Kentucky. The main admitting hospital is Saint Joseph, a 460 bed hospital located directly across the street (connected by a pedway) from the Neurosurgery suite. For post-operative care, the hospital has five ICUs and a 10-bed unit available for neurosurgical patients. The practice has virtually no trauma and practices at about 70% spine; 30% cranial.

Among the many positive aspects of this position are:

- Collegial work environment
- Sophisticated EHR system
- Large internal and external referral base
- Numerous ancillary services
- Excellent business infrastructure
- Favorable payer mix

This position will offer a competitive salary guarantee with production-driven quarterly bonuses. Opportunity for partnership is available after one year, with no buy-in! Lexington Clinic offers a very rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care insurance, vacation and CME time, CME stipend, and flexible spending account.
