OBSTETRICS AND GYNECOLOGY

Lexington Clinic is seeking a **BC/BE OB/GYN physician** to join a very busy practice located in Lexington, Kentucky. The main admitting hospital is the Women's Hospital at Saint Joseph East, a brand new state-of-the-art maternity building dedicated exclusively to women's services.

The average number of daily visits is 25 – 30. The group has a reasonable call schedule. Some of the in-office capabilities include colposcopy, LEEP, ultrasound, sonohysterogram and cryotherapy.

Among the many positive aspects of this position are:

- Large internal referral base
- Sophisticated EHR system
- Numerous ancillary services
- Excellent business infrastructure
- Favorable payer mix

This position will offer a competitive salary guarantee with production-driven quarterly bonuses. Opportunity for partnership is available after one year, with no buy-in! Lexington Clinic offers a very rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care insurance, vacation, CME time, CME stipend and flexible spending account.
