PULMONARY DISEASES/ SLEEP MEDICINE

Lexington Clinic is seeking a **full-time pulmonologist specializing in Sleep Medicine** to join a very busy practice. The ideal candidate will be BC/BE in Pulmonary Diseases and Sleep Medicine and possess superior clinical abilities and outstanding interpersonal skills. The pulmonologists provide consults for non-ICU patients at Saint Joseph Hospital. The Lexington Clinic hospitalists currently admit for our pulmonologists. The group alternates weekday practice call 1:2 Monday – Thursday, and weekend call will be 1:5 Friday – Sunday.

Some of the in-office capabilities include lab, chest X-ray, all pulmonary function testing, IV respiratory medication, and an Ambulatory Surgery Center (ASC) directly below the office for bronchoscopies. Lexington Clinic has a state-of-the-art six-bed AASM accredited Sleep Center that schedules patients five nights a week (Tuesday – Saturday). Please visit LexingtonClinic.com/sleepcenter for more information about our accredited Sleep Center.

Among the many positive aspects of this position are:

- Collegial work environment
- Sophisticated EHR system
- Large internal and external referral base
- Numerous ancillary services
- Excellent business infrastructure
- Favorable payer mix

This position will offer a competitive salary guarantee with production-driven quarterly bonuses. Opportunity for partnership is available after one year, with no buy-in! Lexington Clinic offers a very rich benefits package for physicians, including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care insurance, vacation, flexible spending account, CME time and CME stipend.
