

WELCOME

Founded in 1920, Lexington Clinic celebrated 100 years as the largest and oldest medical group in Central and Eastern Kentucky in 2020. We offer innovative, compassionate and personalized care across more than 30 specialties offered by our providers. At Lexington Clinic, we put the health and experience of our patients first and we work to improve the lives of our community.

VISION

Perfecting the patient experience.

MISSION

To provide the highest quality integrated healthcare.

CORE VALUES

EXCELLENCE | INTEGRITY | SERVICE | COMPASSION | RESPECT | DEDICATION | | FISCAL RESPONSIBILITY

LEXINGTON CLINIC FACTS

Cares for more than 2,000 patients daily and 600,000 patients annually

Employs nearly 200 providers and 1,000 staff

Has providers in more than 30 different specialties

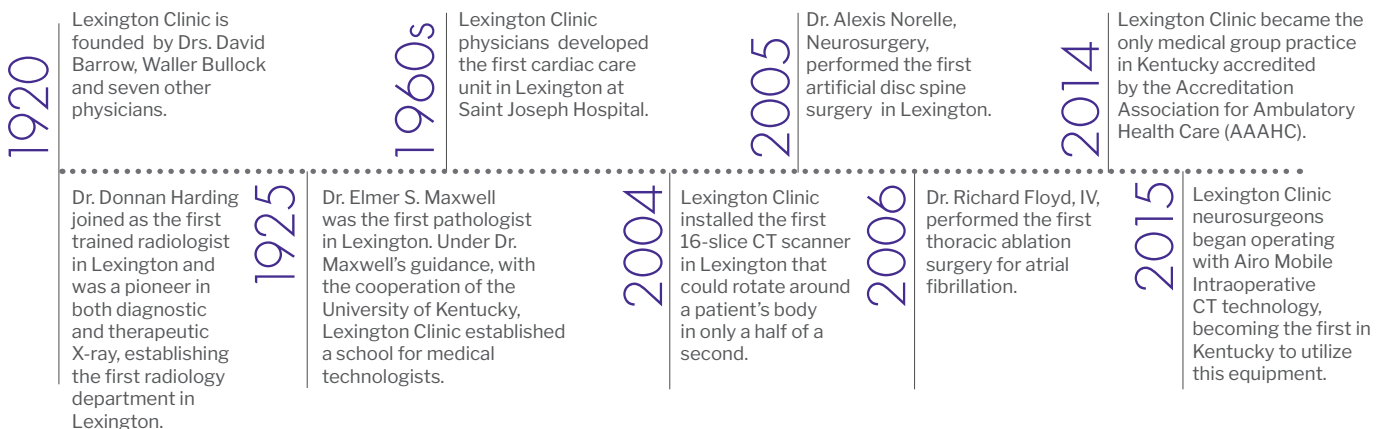

Has more than 20 different locations throughout Central Kentucky

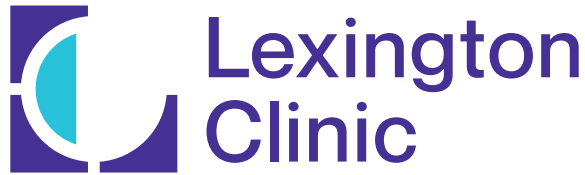

Draws patients from an area of 13 million residents

HISTORY

The idea of forming a medical clinic for group practice was implemented in 1920 by David Barrow, MD, and Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

LEXINGTON CLINIC FOUNDATION

Lexington Clinic Foundation (LCF) is the nonprofit, philanthropic arm of Lexington Clinic, providing community-based health grants, scholarships, and research funds in Central Kentucky since 1959. LCF is dedicated to improving the health and well-being of the communities it serves.

FIND A PHYSICIAN

Your needs come first. Lexington Clinic knows this and takes those needs into consideration, whether it be what office is most convenient for you or which provider would be suited to address your condition. Additionally, we can answer any questions you may have regarding insurance, appointment availability and directions to Lexington Clinic locations.
