

March 11, 2020

We are closely monitoring the evolving novel Coronavirus (COVID-19) updates. In an abundance of caution, the Lexington Clinic has activated the following vendor restrictions until further notice to protect our patients, staff and communities.

1. Vendor representatives are not permitted in patient care areas or patient treatment areas unless specifically approved by the administrative staff of the department. For the ambulatory surgery centers, please contact Ashley Karathanasis at (859) 258-4600 or [akara@lexclin.com](mailto:akara@lexclin.com). For all other facilities and/or departments, please contact the manager.
2. All vendor representatives must call for an appointment, and if not an essential business partner, will be asked to call back at a later date to reschedule.

Please know these precautions are to ensure your safety and the safety of our patients, staff and communities. These restrictions will remain in place until further notice.

Thank you for your cooperation.

Cari Scordo

Purchasing Director
