Lexington Clinic is seeking a **BC/BE Invasive, Non-Interventional Cardiologist** to join a large multi-specialty group practice located in Lexington, Kentucky. The group consists of four board-certified cardiologists and two advanced practice providers.

Our cardiologists hold privileges at an adjacent open-heart facility and two other hospitals in close proximity. The anticipated daily clinic volume is 20-25 patients and the group shares a reasonable call schedule. Call and back-up call will be 1:4, maximum.

Lexington Clinic Cardiology offers a broad range of services including: echocardiograms, stress echos, TEE, stress tests, nuclear stress tests, holter and event monitors, tilt table, EKG, cardioversion, diagnostic and interventional cardiac caths, pacemakers and ICD implants and peripheral angio with stent placement.

This position will offer a competitive salary guarantee with potential production-driven quarterly bonuses. Opportunity for partnership is available after one year. Lexington Clinic offers a very rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care, vacation and CME time, CME stipend and a flexible spending account.

**Among the many positive aspects of this position are:**

- Favorable payer mix
- Large internal referral base
- Numerous ancillary services
- Physician owned/partnership track

---

Lexington Clinic is an Equal Opportunity Employer
VISION
Perfecting the patient experience.

MISSION
To provide the highest quality integrated healthcare.

CORE VALUES
EXCELLENCE | INTEGRITY | SERVICE | COMPASSION | RESPECT | DEDICATION | FISCAL RESPONSIBILITY

HISTORY
The idea of forming a medical clinic for group practice was implemented in 1920 by David Barrow, MD, and Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

LEXINGTON CLINIC FACTS
Cares for more than 2,000 patients daily and 500,000 patients annually
Employs more than 200 providers and 1,200 staff
Has providers in more than 30 different specialties
Has more than 30 different locations throughout Central Kentucky
Draws patients from an area of 1.3 million residents
The only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC)

KEY INNOVATIONS

1920
Lexington Clinic is founded by Drs. David Barrow, Waller Bullock and seven other physicians.

Dr. Donnan Harding joined as the first trained radiologist in Lexington and was a pioneer in both diagnostic and therapeutic X-ray, establishing the first radiology department in Lexington.

1960s
Lexington Clinic physicians developed the first cardiac care unit in Lexington at Saint Joseph Hospital.

Dr. Elmer S. Maxwell was the first pathologist in Lexington. Under Dr. Maxwell’s guidance, with the cooperation of the University of Kentucky, Lexington Clinic established a school for medical technologists.

2004
Lexington Clinic installed the first 16-slice CT scanner in Lexington that could rotate around a patient’s body in only a half of a second.

2005
Dr. Alexis Norelle, Neurosurgery, performed the first artificial disc spine surgery in Lexington.

2014
Lexington Clinic became the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).

2015
Lexington Clinic neurosurgeons began operating with Airo Mobile Intraoperative CT technology, becoming the first in Kentucky to utilize this equipment.

Lexington Clinic Foundation (LCF) is the nonprofit, philanthropic arm of Lexington Clinic, providing community-based health grants, scholarships and research funds in Central Kentucky since 1959. LCF is dedicated to improving the health and well-being of the communities it serves.
LEXINGTON, KENTUCKY

Lexington is the second-largest city in Kentucky with a population of approximately 300,000 and is known as the “Horse Capital of the World”. Located in the heart of the Bluegrass, white fences line the countryside and stately horse farms house some of the world’s greatest thoroughbred horses. Lexington is home to the Kentucky Horse Park, historic Keeneland Racetrack and the Red Mile race course and is an active university town – home to the University of Kentucky and Transylvania University.

With something to offer for everyone, from sports to fine arts and a variety of worship centers, Lexington is home to many thriving organizations including a professional orchestra, philharmonic, two ballet companies, professional theatre, museums, choral organizations and the historic Lexington Opera House.

Providing an excellent place to raise your family, Lexington offers a wide variety of public and private schools, which are ranked among the top third of schools nationwide, and a low crime rate. Lexington plays an integral part in the region as the leading medical and commercial center, creating a healthy economical climate with low unemployment and cost of living. The city is strategically located at the intersection of Interstates 64 and 75 and is approximately 60 miles from Louisville, Kentucky and Cincinnati, Ohio. Accessible by air, the local airport offers more than 80 daily flights to major cities throughout the country.
