Lexington Clinic is seeking a full-time BC/BE Interventional Cardiologist to join a very busy practice in Lexington, Kentucky. The group consists of two full-time, board-certified cardiologists and three advanced practice providers. The cardiologists hold privileges at an adjacent open-heart facility and two other hospitals in close proximity. The anticipated daily clinic volume is 20-25 and the group shares a reasonable call schedule.

Lexington Clinic Cardiology offers a broad range of services including:

- Echocardiograms
- Stress Echos
- TEE
- Stress Tests
- Nuclear Stress Tests
- Holter and Event Monitors
- Tilt Table
- EKG
- Cardioversion
- Diagnostic and Interventional Cardiac Caths
- Pacemakers and ICD Implants
- Peripheral Angio with Stent placement

This position will offer a competitive salary guarantee with potential production-driven quarterly bonuses. Opportunity for partnership is available after one year. Lexington Clinic offers a rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care, vacation and CME time, CME stipend and a flexible spending account.

Among the many positive aspects of this position are:

- Large internal referral base
- Excellent payer mix
- Physician owned
- Partnership track
- Numerous ancillary services

WELCOME
Founded in 1920, Lexington Clinic is the largest and oldest medical group in Central and Eastern Kentucky. We offer innovative, compassionate and personalized care across more than 30 specialties offered by our providers. At Lexington Clinic, we put the health and experience of our patients first and we work to improve the lives of our community. Let us show you how care is supposed to be.

VISION
Perfecting the patient experience.

MISSION
To provide the highest quality integrated healthcare.

CORE VALUES
EXCELLENCE | INTEGRITY | SERVICE | COMPASSION | RESPECT | DEDICATION | FISCAL RESPONSIBILITY

LEXINGTON CLINIC FACTS
Cares for more than 2,000 patients daily and 600,000 patients annually
Employs nearly 200 providers and 1,000 staff
Has providers in more than 30 different specialties
Has more than 25 different locations throughout Central Kentucky
Draws patients from an area of 1.3 million residents

HISTORY
The idea of forming a medical clinic for group practice was implemented in 1920 by David Barrow, MD, and Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

LEXINGTON, KENTUCKY

Lexington is the second-largest city in Kentucky with a population of approximately 300,000 and is known as the “Horse Capital of the World”. Located in the heart of the Bluegrass, white fences line the countryside and stately horse farms house some of the world’s greatest thoroughbred horses. Lexington is home to the Kentucky Horse Park, historic Keeneland Racetrack and the Red Mile race course and is an active university town – home to the University of Kentucky and Transylvania University.

With something to offer for everyone, from sports to fine arts and a variety of worship centers, Lexington is home to many thriving organizations including a professional orchestra, philharmonic, two ballet companies, professional theatre, museums, choral organizations and the historic Lexington Opera House.

Providing an excellent place to raise your family, Lexington offers a wide variety of public and private schools, which are ranked among the top third of schools nationwide. Lexington plays an integral part in the region as the leading medical and commercial center, creating a healthy economical climate with low unemployment and cost of living. The city is strategically located at the intersection of Interstates 64 and 75 and is approximately 60 miles from Louisville, Kentucky and Cincinnati, Ohio. Accessible by air, the local airport offers more than 80 daily flights to major cities throughout the country.
