Family Medicine Internal Medicine

Lexington Clinic is seeking a full-time BC/BE Family Medicine or Internal Medicine physician to join a very busy practice in Richmond, Kentucky.

The average daily patient volume per provider is 15-25 and some of the in-office capabilities include lab, x-ray, ABI, PFT, EKG, Holter monitor and CT. Lexington Clinic specialists visit the facility regularly to offer specialty care services including: cardiology, gastroenterology, neurology, rheumatology and urology. The practice also has Echocardiogram and Carotid Doppler testing capability once per week.

This is an outpatient opportunity with limited office call. The call schedule consists of phone call only and is on a rotational basis with other physicians in the group. Weekend and holiday call is rotated equally.

This position offers a competitive salary guarantee with potential production-driven quarterly bonuses. Lexington Clinic offers a rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care, vacation, CME time, CME stipend and a flexible spending account.

Among the many positive aspects of this position are:

• Excellent payer mix
• Physician owned
• Partnership track
• Excellent specialty care partners
