Lexington Clinic is seeking a full-time (Richmond) and part-time (Lexington) BC/BE Pediatrician to join a very busy practice in Lexington and Richmond, Kentucky. These positions will include outpatient clinic and newborn rounding. Call will be 1:6 and the average daily clinic volume per provider is 20-30.

These positions offer a competitive salary guarantee with potential production-driven quarterly bonuses. Opportunity for partnership is available after one year. Lexington Clinic offers a rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care, vacation and CME time, CME stipend and a flexible spending account.

Among the many positive aspects of these positions are:
- Favorable call schedule
- Excellent payer mix
- Physician owned
- Partnership track
- Excellent specialty care partners

Lexington Clinic Facts

Cares for more than 2,000 patients daily and 600,000 patients annually
Employs nearly 200 providers and 1,000 staff
Has providers in more than 30 different specialties
Has more than 25 different locations throughout Central Kentucky
Draws patients from an area of 1.3 million residents

History

The idea of forming a medical clinic for group practice was implemented in 1920 by Dr. David Barrow, MD, and Dr. Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

Key Innovations

1920

Lexington Clinic is founded by Drs. David Barrow, Waller Bullock and seven other physicians.

1925

Dr. Donnan Harding joined as the first trained radiologist in Lexington and was a pioneer in both diagnostic and therapeutic X-ray, establishing the first radiology department in Lexington.

1960s

Lexington Clinic physicians developed the first cardiac care unit in Lexington at Saint Joseph Hospital.

1990s

Lexington Clinic installed the first 16-slice CT scanner in Lexington that could rotate around a patient’s body in only a half of a second.

2002

Dr. Alexis Norelle, Neurosurgery, performed the first artificial disc spine surgery in Lexington.

2005

Lexington Clinic neurosurgeons began operating with Airo Mobile Intraoperative CT technology, becoming the first in Kentucky to utilize this equipment.

2006

Dr. Richard Floyd, IV, performed the first thoracic ablation surgery for atrial fibrillation.

2014

Lexington Clinic became the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Healthcare (AAAH).

FIND A PHYSICIAN

Your needs come first. Lexington Clinic knows this and takes those needs into consideration, whether it be what office is most convenient for you or which provider would be suited to address your condition. Additionally, we can answer any questions you may have regarding insurance, appointment availability and directions to Lexington Clinic locations.
LEXINGTON, KENTUCKY
Lexington is the second-largest city in Kentucky with a population of approximately 300,000 and is known as the "Horse Capital of the World". Located in the heart of the Bluegrass, white fences line the countryside and stately horse farms house some of the world's greatest thoroughbred horses. Lexington is home to the Kentucky Horse Park, historic Keeneland Racetrack and the Red Mile race course and is an active university town - home to the University of Kentucky and Transylvania University.

With something to offer for everyone, from sports to fine arts and a variety of worship centers, Lexington is home to many thriving organizations including a professional orchestra, philharmonic, two ballet companies, professional theatre, museums, choral organizations and the historic Lexington Opera House.

Providing an excellent place to raise your family, Lexington offers a wide variety of public and private schools, which are ranked among the top third of schools nationwide. Lexington plays an integral part in the region as the leading medical and commercial center, creating a healthy economical climate with low unemployment and cost of living. The city is strategically located at the intersection of Interstates 64 and 75 and is approximately 60 miles from Louisville, Kentucky and Cincinnati, Ohio. Accessible by air, the local airport offers more than 80 daily flights to major cities throughout the country.

RICHMOND, KENTUCKY
Richmond, Kentucky is positioned in the heart of Kentucky's Bluegrass Region, and has a population of approximately 30,000. Richmond is a short 20 to 30 minute drive south of Lexington and is known for its rural beauty, significant history, local university and numerous parks and golf courses. Richmond offers very affordable housing, excellent schools and a variety of recreational opportunities. Please visit richmond.ky.us for more information.
