Lexington Clinic is seeking a full-time BC/BE Pulmonologist to join a busy practice located in Lexington, Kentucky. This is an outpatient general pulmonary opportunity with no inpatient responsibilities. The ideal candidate will be board-certified in Pulmonary Disease; Sleep Medicine optional.

Some of the in-office capabilities include lab, chest X-ray, all pulmonary function testing, IV respiratory medication and an Endoscopy Surgery Center (ESC) on the same floor of the office for bronchoscopies. Lexington Clinic has a state-of-the-art six-bed AASM accredited Sleep Center that schedules patients five nights a week (Tuesday – Saturday). Please visit www.lexingtonclinic.com/sleep for more information about our accredited sleep center.

This position will offer a competitive salary guarantee with potential production-driven quarterly bonuses. Opportunity for partnership is available after one year. Lexington Clinic offers a rich benefits package for physicians including health and dental, employee independent and dependent life coverage, 401k, short and long-term disability, long-term care, vacation and CME time, CME stipend and a flexible spending account.

Among the many positive aspects of this position are:

- No hospital call
- Limited office call
- Accredited ASC/ESC
- Large internal referral base
- Favorable payer mix
- Physician owned/partnership track
- Numerous ancillary services

Employs more than 190 providers and 1,000 staff
Has providers in more than 30 different specialties
Has more than 25 different locations throughout Central Kentucky
Draws patients from an area of 1.3 million residents
The only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC)

History
The idea of forming a medical clinic for group practice was implemented in 1920 by David Barrow, MD, and Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

Key Innovations

1920
Lexington Clinic is founded by Drs. David Barrow, Waller Bullock and seven other physicians.

Dr. Donnan Harding joined as the first trained radiologist in Lexington and was a pioneer in both diagnostic and therapeutic X-ray, establishing the first radiology department in Lexington.

1925
Lexington Clinic physicians developed the first cardiac care unit in Lexington at Saint Joseph Hospital.

Dr. Elmer S. Maxwell was the first pathologist in Lexington. Under Dr. Maxwell’s guidance, with the cooperation of the University of Kentucky, Lexington Clinic established a school for medical technologists.

1960s
Lexington Clinic neurosurgeons began operating with the Airo Mobile Intraoperative CT technology, becoming the first in Kentucky to utilize this equipment.

2004
Lexington Clinic installed the first 16-slice CT scanner in Lexington that could rotate around a patient’s body in only a half of a second.

2005
Dr. Alexis Norelle, Neurosurgery, performed the first artificial disc spine surgery in Lexington.

2006
Dr. Richard Floyd, IV, performed the first thoracic ablation surgery for atrial fibrillation.

2014
Lexington Clinic became the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).

2015
Lexington Clinic became the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).
ASSOCIATE PRACTICES
By partnering with associate practices, our doctors and providers continue to meet and exceed challenges faced while we provide care for every patient across Central Kentucky.

LEXINGTON CLINIC FOUNDATION
Lexington Clinic Foundation (LCF) is the nonprofit, philanthropic arm of Lexington Clinic, providing community-based health grants, scholarships and research funds in Central Kentucky since 1959. LCF is dedicated to improving the health and well-being of the communities it serves.

FIND A PHYSICIAN
Your needs come first. Lexington Clinic knows this and takes those needs into consideration, whether it be what office is most convenient for you or which provider would be suited to address your condition. Additionally, we can answer any questions you may have regarding insurance, appointment availability and directions to Lexington Clinic locations.
LEXINGTON, KENTUCKY

Lexington is the second-largest city in Kentucky with a population of approximately 300,000 and is known as the “Horse Capital of the World”. Located in the heart of the Bluegrass, white fences line the countryside and stately horse farms house some of the world’s greatest thoroughbred horses. Lexington is home to the Kentucky Horse Park, historic Keeneland Racetrack and the Red Mile race course and is an active university town – home to the University of Kentucky and Transylvania University.

With something to offer for everyone, from sports to fine arts and a variety of worship centers, Lexington is home to many thriving organizations including a professional orchestra, philharmonic, two ballet companies, professional theatre, museums, choral organizations and the historic Lexington Opera House.

Providing an excellent place to raise your family, Lexington offers a wide variety of public and private schools, which are ranked among the top third of schools nationwide, and a low crime rate. Lexington plays an integral part in the region as the leading medical and commercial center, creating a healthy economical climate with low unemployment and cost of living. The city is strategically located at the intersection of Interstates 64 and 75 and is approximately 60 miles from Louisville, Kentucky and Cincinnati, Ohio. Accessible by air, the local airport offers more than 80 daily flights to major cities throughout the country.
