HISTORY

The idea of forming a medical clinic for group practice was implemented in 1920 by David Barrow, MD, and Waller Bullock, MD. With seven other physicians, Drs. Barrow and Bullock formed a partnership, patterned after the Mayo Clinic, that became Lexington Clinic.

KEY INNOVATIONS

1920
Lexington Clinic is founded by Drs. David Barrow, Waller Bullock and seven other physicians.

1925
Dr. Donnan Harding joined Lexington Clinic as the first trained radiologist in Lexington. He was a pioneer in both diagnostic and therapeutic X-ray, establishing the first radiology department in Lexington.

1960s
Lexington Clinic physicians developed the first cardiac care unit in Lexington at Saint Joseph Hospital.

2004
Lexington Clinic installed the first 16-slice CT scanner in Lexington that could rotate around a patient’s body in only a half of a second.

2005
Dr. Alexis Norelle, Neurosurgery, performed the first artificial disc spine surgery in Lexington.

2014
Lexington Clinic became the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC).

2015
Lexington Clinic neurosurgeons begin operating with Airo Mobile Intraoperative CT technology, becoming the first in Kentucky to utilize this equipment.

LEXINGTON CLINIC FACTS

- Cares for more than 2,000 patients daily and 500,000 patients annually
- Employs more than 200 providers and 1000 staff
- Has providers in more than 30 different specialties
- Has more than 30 different locations throughout Central Kentucky
- Claims 18% of the Fayette County healthcare market
- Draws patients from an area of 1.3 million residents
- Holds the status of being the only medical group practice in Kentucky accredited by the Accreditation Association for Ambulatory Health Care (AAAHC)

MISSION

The Lexington Clinic physicians and staff pledge to provide the highest quality integrated healthcare. Our medical team will deliver personalized care with compassion, innovation and value as we work in partnership with our patients to enhance and maintain their quality of life.

CORE VALUES

- EXCELLENCE – striving for the highest quality patient experience, regardless of our individual role
- INTEGRITY – firm adherence to a code of ethics, honesty, dependability and respect
- SERVICE – enthusiastic and professional service to our patients, their families, the referring physicians, our colleagues and our community
- COMPASSION – for our patients, their families and each other
- RESPECT – appreciation for our patients, partners and staff
- DEDICATION – commitment to our mission and recognition of the group and individual needs
- FISCAL RESPONSIBILITY – long-term financial discipline is the key to the security, strength and growth of the organization

LEXINGTON CLINIC FOUNDATION

Lexington Clinic Foundation (LCF) is the nonprofit, philanthropic arm of Lexington Clinic, providing community-based health, grants, scholarships and research funds in Central Kentucky since 1959. LCF is dedicated to improving the health and well-being of the communities it serves.
LEXINGTON, KENTUCKY

Lexington is the second-largest city in Kentucky with a population of approximately 300,000 and is known as the “Horse Capital of the World”. Located in the heart of the Bluegrass, white fences line the countryside and stately horse farms house some of the world’s greatest thoroughbred horses. Lexington is home to the Kentucky Horse Park, historic Keeneland Racetrack and the Red Mile race course and is an active university town – home to the University of Kentucky and Transylvania University.

With something to offer for everyone, from sports to fine arts and a variety of worship centers, Lexington is home to many thriving organizations including a professional orchestra, philharmonic, two ballet companies, professional theatre, museums, choral organizations and the historic Lexington Opera House.

Providing an excellent place to raise your family, Lexington offers a wide variety of public and private schools, which are ranked among the top third of schools nationwide, and a low crime rate. Lexington plays an integral part in the region as the leading medical and commercial center, creating a healthy economical climate with low unemployment and cost of living. The city is strategically located at the intersection of Interstates 64 and 75 and is approximately 60 miles from Louisville, Kentucky and Cincinnati, Ohio. Accessible by air, the local airport offers more than 80 daily flights to major cities throughout the country.
